A message from Mayor Daley

"As Mayor and on behalf of the City of Chicago, I extend cordial greetings to the members of the Apparel Industry Board and Chicago's entire fashion and apparel community. The Chicago fashion and apparel industry has been a thriving part of the city's economic life since the 1800s, when clothing manufacturers created vitality and excitement that reached far beyond the city limits. Through the years, the fashion industry has flourished.

Today, more than 400 apparel and accessory designers are head-quartered here, creating a diversity of fashion, ***The Apparel Industry Board is committed to building and promoting a stronger apparel industry in Chicago, and for this, we are indeed grateful.***

—Richard M. Daley,
Mayor of Chicago
